Qualifications are awarded by FBISE, the University of Gujrat, Pearson and NCC Education. CAS is not a degree-awarding institution.

Mission & Vision

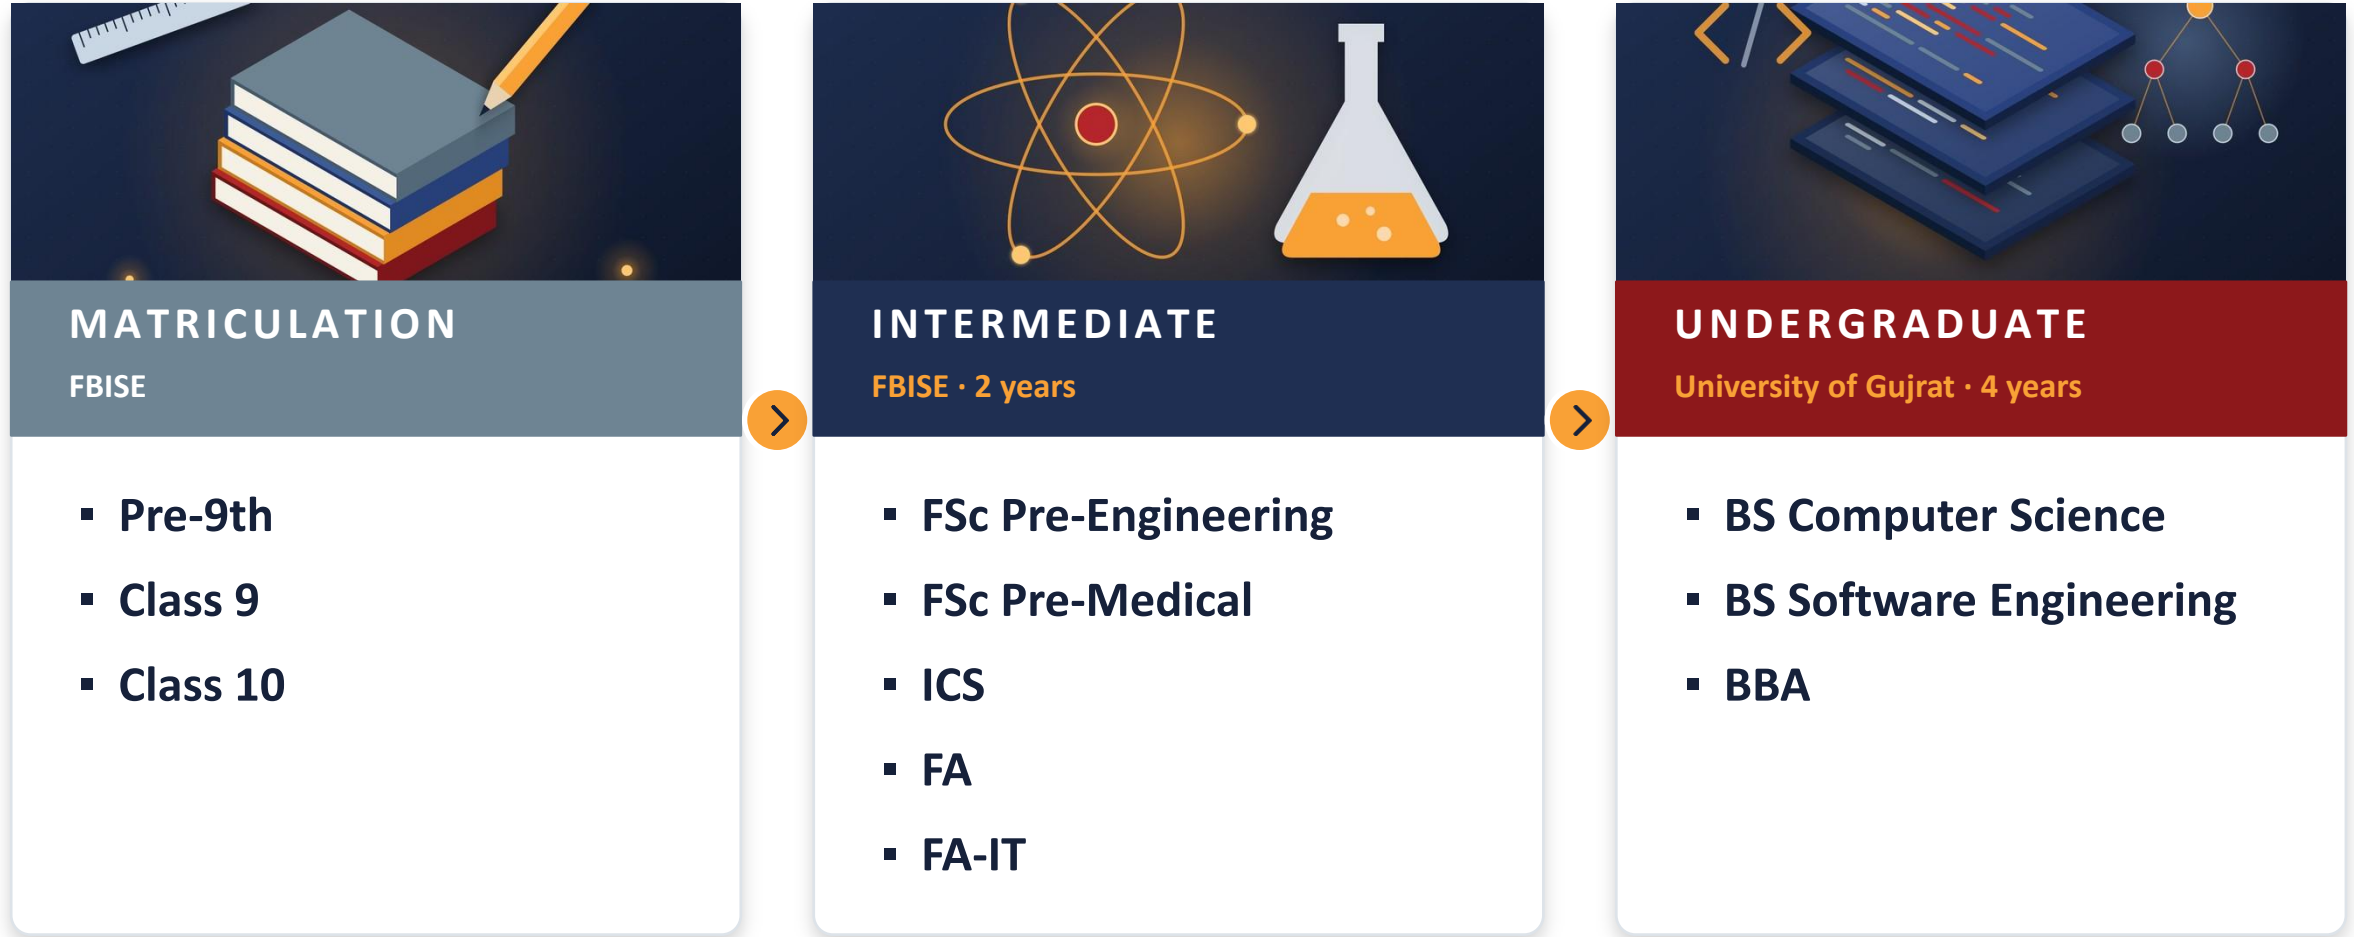

Our Mission

To provide high-quality, accessible and career-focused education that empowers students with knowledge, practical skills and confidence to achieve academic excellence and succeed in an ever-evolving global environment.

Our Vision

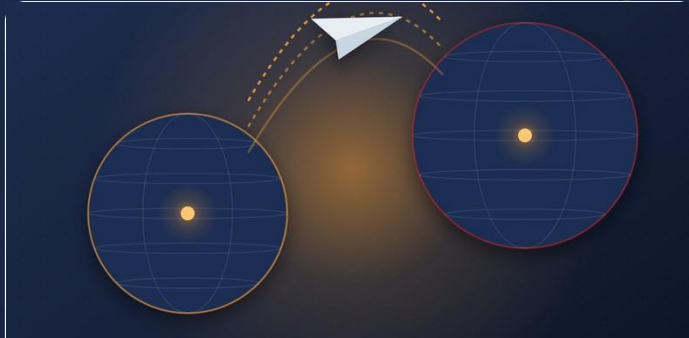

To be a leading centre of excellence in education, recognised for academic quality, innovation and student success, while developing confident, skilled and responsible individuals who contribute positively to society and the global community.

Building Academic Foundations. Developing Future Leaders.

Undergraduate degrees are awarded by the University of Gujrat. Progression between stages depends on results and entry requirements.

International Qualifications. Global Learning Opportunities.

NCC Education UK
Awarding Great British Qualifications

Level 3 International Foundation pathway

One year of pre-university study: academic skills and subject foundations for higher education.

Pearson UK — Higher National Diplomas · HNC (L4) + HND (L5), 2 years

HND Business

Management, marketing, finance and enterprise — assessed on applied work.

HND Computing

Programming, networks, databases and security in practical projects.

HND Fashion & Textiles

Research, illustration, garment and textile skills, and a professional portfolio.

Please note: An HND is not a bachelor's degree. Further study or top-up options depend on each receiving institution's requirements and are not guaranteed.
